June and July 2007

There has been so much happen that it is hard to know where to start.

There have been a number of souls saved from the street corner to the church alter. I believe in the past three months there have been 12 folks saved.

Youth camp was a great time. And I know there were 2 saved that week.

The trip to Indianapolis with the youth group from MI stands out and there were 2 or 3 saved that week.

We were able to move 55 cases of Bibles and 10 cases of John and Romans to our home waiting distribution to the churches in Mexico.

We have also sent a case to Cincinnati, Ohio, Richmond, IN, and Dillsboro, IN all to be used to reach the Latino folks in these areas. This has been a great open door for us to present the need for Bibles in foreign countries to new churches. The need for paper alone is where we start, (one roll of paper is \$500.00 to \$700.00)

depending on the quality of the paper. Victory Baptist Church in Milton, Florida does the printing and if I need to know details I call Bro. Jim Fellure, who runs Victory Baptist Press, and he always has a new project started or in the planning.

Two of my daughters are married to missionaries and are serving in Mexico, so we try to help the Latino salvation cause. We are planning a trip to Mexico with a load of Bibles in the month of November. I will also be preaching and chalk drawing on the mission field, we are excited about this trip. We know the cost will be great

because of fuel prices (we will be driving our Motor home in) but we also know that God is able. We have set aside a fund for the trip If you want to donate to this expense, mark your offering (Mexico Trip). At the present time a new Church is being started in Saltillo, Mexico by Doug and Jana Rogers, Jordan and Beth Green, and my youngest son Titus Gabbard (he's 18). This new church needs 100 chairs at \$22.00 a piece and 10 tables at \$67.00 a piece. If you want to help in this matter mark your offering, (new church in Mexico). Titus graduated from high school this June (from Mt Hope Christian Academy) and decided to go to the mission field and help with this new church. The last of August he will fly from the mission field to California to start collage at West Coast Baptist Collage. He has been accepted and we are excited for Titus.

Bonnie has a new electric wheel chair and it has proven to be a real blessing for her. A wonderful man in a church where we were holding a meeting gave it to her. God is so good.

Our needs, prayer, prayer, and prayer we believe in a prayer answering God. So pray for us as we go.

In The Lord Jesus Christ
